

I Don't Believe You (She Acts Like We Never Have Met)

Glen Campbell

I can't understand she let go of my hand an' left me here facin
g the wall
I'd sure like to know why she did go but I can't get close to h
er at all
Though we kissed through the wild blazing nighttime she said sh
e would never forget
But now morning is clear it's like I ain't here she just acts l
ike we never have met

If I didn't have to guess well I'd gladly confess to anything t
hat I might have tried
If I was with her too long or I've done something wrong
I wish she'd tell me what it is I'll run and hide
From darkness dreams are deserted am I still dreaming yet
Well I wish she'd unlock her voice once and talk stead
Of acting like we never have met

If she ain't feeling well then why don't she tell stead of turn
ing her back to my face
Without any doubt now she seems too far out for me to return to
her chase
Though the night ran swirling and whirling I remember her whisp
ering yet
But evidently she don't an' evidently she won't she just acts l
ike we never have met
Well I'm leavin' today I'll be on my way of this I can't say ve
ry much
But if you want me to I can be just like you and pretend that w
e never have touched
And if anybody should ask me is it easy to forget
I'll say it's easily done you just pick anyone and pretend that
you never have met
