# I Have No One to Love Me Anymore

**Glen Campbell**

My baby's gone I have no one who needs me anymore
I can't go on I have no one to love me anymore

Time on my hands you on my mind giving in the broken dreams you
 left behind
Wherever I go whatever I do my heart keeps blinding me remindin
g me we're through
My baby's gone...

You took my hand and turned away leaving me withing the walls o
f yesterday
Wherever I go whatever I do there's no use trying I guess I'll
never forget you
My baby's gone...
