

# In My Arms

Glen Campbell

Got an easy place to be  
In my heart, yeah in my heart  
I got a simple space to feel free  
In my heart, yeah in my heart

Keep on the recent  
Keep it on the now  
Give me an easy way out

It's a lovely world, that I got  
In my heart, baby in my heart  
Got a lot of room, to get lost  
In my heart baby in my heart

Keep on the recent  
Keep it on the now  
Give me an easy way out

Got an easy place to be  
In my arms, baby in my arms  
You got nothing to fear from me  
In my arms, baby in my arms  
In my arms, baby in my arms
