

In My Life

Glen Campbell

There are places I'll remember all my life,
Though some have changed.
Some forever not for better
Some have gone and some remain.
All these places have their moments
With lovers and friends I still can recall.
Some are dead and some are living,
In my life I've loved them all

But of all these friends and lovers
There is no one compares with you.
And these memories lose their meaning
When I think of love as something new.
Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life I love you more.
