It's Only Make Believe

Glen Campbell

People see us everywhere They think you really care But myself I can't deceive I know it's only make believe

My one and only prayer Is that some day you'll care My hopes, my dreams come true My one and only you

No one will ever know How much I love you so My only prayer will be Someday you'll care for me But it's only make believe

My hopes, my dreams come true My life, I'd give for you My heart, a wedding ring My all, my everything

My heart, I can't control You rule my very soul My plans, my hopes, my schemes Girl, you are my every dream But it's only make believe

My one and only prayer Girl, is that some day you'll care My hopes, my dreams come true You're my one and only you

And no one will ever know Just how much I love you so And my only prayer will be That someday you'll care for me But it's only make believe It's make believe
