

## Just for What I Am

Glen Campbell

Blue ain't just a word Lord it's a feeling  
Feeling of loneliness that I can feel right now  
Love has looked at me but tried to change me  
I wished that love would take me just for what I am.

Just for what I am I want someone to love me  
Someone who won't expect me to feel like that old mem'ry  
Just for what they see just for being me  
I want someone to love me just for what I am.

Cry ain't just a sound it's a sadness  
Sadness that lives with me and follows me around  
Love wants me to be someone I can't be  
I wished that love would take me just for what I am.

Just for what I am I need someone to love me  
Someone who won't expect me to feel like that old mem'ry  
Just for what they see just for being me  
I want someone to love me just for what I am...
