

# Last Thing On My Mind

Glen Campbell

Four o'clock in the morning  
My mind's filled with a thousand  
Thoughts of you  
And how you left without warning  
But looking back I'm sure you tried to  
Talk it through

Now I see it so clearly  
We're together but living separate lives

So I wanna tell you I'm sorry  
Baby I can't find the words  
But if I could, then you know I would

Now I won't let go, know what we can be  
I won't watch my life, crashing down on me  
Guess I had it all, right there before my eyes  
Girl I'm sorry now, you were the last thing  
On my mind

You carried me like a river  
How far we've come still surprises me  
And now I look in the mirror (look in the mirror)  
Staring back is the man  
I used to be, with you  
How I long for you

Now I won't let go, know what we can be  
I won't watch my life, crashing down on me  
Guess I had it all, right there before my eyes  
Girl I'm sorry now, you were the last thing  
On my mind

Girl I'm sorry I was wrong  
Could have been there  
Should have been so strong, so I'm sorry

Now I won't let go, know what we can be  
I won't watch my life, crashing down on me  
Guess I had it all, right there before my eyes  
Girl I'm sorry now, you were the last thing  
On my mind
