## Let It Be Me

## **Glen Campbell**

I bless the day I found you I want to stay around you And so I beg you Let it be me

Don't take this heaven from one If you must cling to someone Now and forver Let it be me

Each time we meet, love I find complete love Without your sweet, sweet love What would life be?

So never leave me lonely Tell me you'll love me only And that you'll always Let it be me

Each time we meet, love I find complete love Without your sweet, sweet love What would life be?

So never leave me lonely Tell me you'll love me only And that you'll always Let it be me

Now and forever Let it be me
