

Let It Snow! Let It Snow! Let It Snow!

Glen Campbell

Oh the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow let it snow let it snow
Man it doesn't show signs of stopping
And I brought some corn for popping
The lights are turned was down low
Let it snow let it snow
When we finally kiss goodnight
How I'll hate going out in the storm
But if you really hold me tight
All the way home I'll be warm
And the fire is slowing dying
And my dear we're still good-byeing
But as long as you'd love me so
Let it snow let it snow and snow
When we finally kiss goodnight
How I'll hate going out in the storm
But if you really grab me tight
All the way home I'll be warm
And the fire is slowing dying
And my dear we're still good-byeing
But as long as you'd love me so
Let it snow let it snow let it snow
