

Mansion On The Hill

Glen Campbell

Tonight down here in the valley
I'm lonesome and oh how I feel
As I sit here alone in my cabin
I can see your mansion on the hill

Do you recall when we parted the story
To me you revealed?
Oh, you said, you could live without love dear
In your loveless mansion on the hill

I've waited all through the years love just
To give you a heart true and real
And I know you're alone with your pride dear
In your loveless mansion on the hill
