

## Mansion On The Hill

Glen Campbell

Tonight down here in the valley  
I'm lonesome and oh how I feel  
As I sit here alone in my cabin  
I can see your mansion on the hill

Do you recall when we parted the story  
To me you revealed?  
Oh, you said, you could live without love dear  
In your loveless mansion on the hill

I've waited all through the years love just  
To give you a heart true and real  
And I know you're alone with your pride dear  
In your loveless mansion on the hill
