Glen Campbell

Marie
You're a strange little one
Marie
Always on the run
Marie
Where do you belong

Sometimes you act just like a woman
Then you're childish as can be
Now should I treat you like a woman
Or maybe take you crossed my knee

Marie
You're a funny kind of girl
Marie
If I only knew your world
Marie
Then maybe I could play along
With you
Marie

Sometimes you act just like a woman
Then you're childish as can be
Now should I treat you like a woman
Or maybe take you crossed my knee

Marie
You're a funny kind of girl
Marie
If I only knew your world
Marie
Then maybe I could play along
With you
