

# Rock-a-Doodle

Glen Campbell

Let me be your rooster  
And let me roost with you  
Let me be your rooster  
Let me hear your sweet voice coo  
Girl, you've thrown me for a loop  
Well your the number one chick in this  
Chicken coop

I wanna rock, rock-a-doodle you (I wanna rock)  
Rock, rock till the day is through  
I wanna rock, rock-a-doodle through the night (I wanna  
rock)  
Rock, rock till the mornin' light

Well, it ain't right to rock alone  
It takes two, I do believe  
I wanna rock-a-doodle doodle to you (To you)  
Like you rock-a-doodle doodle to me (Rock-a-doodle,  
rock-a-doodle)  
I wanna rock-a-doodle doodle to you (To you)  
Like you rock-a-doodle doodle to me (Rock-a-doodle,  
doodle to me)

Let me be your rooster  
That wakes you up at dawn  
Let me be your rooster  
Let me sing you every song  
Girl, there's one thing that I know  
Well you're the reason this rooster has got to crow

I wanna rock, rock-a-doodle you (I wanna rock)  
Rock, rock till the day is through  
I wanna rock, rock-a-doodle through the night (I wanna  
rock)  
Rock, rock till the mornin' light

Well, it ain't right to rock alone  
It takes two, I do believe  
I wanna rock-a-doodle doodle to you (To you)  
Like you rock-a-doodle doodle to me  
(Rock-a-doodle, rock-a-doodle, rock-a-doodle-doodle to  
me)

Well, it ain't right to rock alone  
It takes two, I do believe  
I wanna rock-a-doodle doodle to you (To you)  
Just like you rock-a-doodle doodle to me (Rock-a-  
doodle, rock-a-doodle)  
I wanna rock-a-doodle doodle to you (To you)  
Just like you rock-a-doodle doodle to me (Rock-a-  
doodle-doodle to me)
