

# Shoulder To Shoulder

Glen Campbell

Picture you and I  
Twenty years gone by  
Looking back on time together  
It's not that far away  
It'll be yesterday  
Before you turn and know it  
So come along  
And take my hand  
And hold on tight  
We'll make it right  
Sharing all the joys and sorrows  
Together you and I  
As we grow older  
Shoulder to shoulder

Picture me and you  
Having made it through  
Our separate lives together  
It isn't easy to do  
But we can do it as two  
Arm in arm  
We'll face tomorrow  
So come along  
And take my hand  
Baby hold on tight  
We'll make it right  
Sharing all the joys and sorrows  
Together you and I  
As we grow older  
Shoulder to shoulder

The years ahead will find us  
Together you and I  
And we'll grow older  
Shoulder to shoulder

Sharing all the joys and sorrows  
Together you and I  
And we'll grow older  
Shoulder to shoulder  
Shoulder to shoulder  
Shoulder to shoulder
