

Someone to Give My Love To

Glen Campbell

Well, I could search from now to the end of the time
Never find another you
I'm so glad because I know you're mine
Someone to give my love to

Well, I believe, my love, that you're one of the kind
For there's no one else like you
You're the light of my life, so let it shine
Someone to give my love to

Well, I find happiness is lovin' you and I'll do my best
To make your dreams come true
Now I will follow you to the end of the earth
For my place will be with you

Well, I have taken you for better or worse
Someone to give my love to
Well, I find happiness is lovin' you and I'll do my best
To make your dreams come true

Days of man and wife time are precious few
I will spend them all with you
Then beyond forever I'll wait for you
Someone to give my love to

Well, you're the light of my life, so let it shine
Shine on me, my whole life through
Well, you're the light of my life, so let it shine
I need someone like you
