

## Someone to Give My Love To

Glen Campbell

Well, I could search from now to the end of the time  
Never find another you  
I'm so glad because I know you're mine  
Someone to give my love to

Well, I believe, my love, that you're one of the kind  
For there's no one else like you  
You're the light of my life, so let it shine  
Someone to give my love to

Well, I find happiness is lovin' you and I'll do my best  
To make your dreams come true  
Now I will follow you to the end of the earth  
For my place will be with you

Well, I have taken you for better or worse  
Someone to give my love to  
Well, I find happiness is lovin' you and I'll do my best  
To make your dreams come true

Days of man and wife time are precious few  
I will spend them all with you  
Then beyond forever I'll wait for you  
Someone to give my love to

Well, you're the light of my life, so let it shine  
Shine on me, my whole life through  
Well, you're the light of my life, so let it shine  
I need someone like you
