Glen Campbell

As I look into these eyes I've known for all these years  
I see for the first time in my life, fear  
This is not the road I wanted for us, but now that's it's here  
I want to make one thing perfectly clear

All I want to be for you is strong  
I am going to be the one you can count on  
I'll always be for you strong

I am a broken prize all neatly wrapped but cracked inside  
All the king's horses and all his men, they lie  
As I look at you and at my life, what do I see?  
The person that I wish that I could be

All I want to be for you is strong

I am going to be the one you can count on  
I'll always be for you strong

So strong  
It's strong, so strong  
Don't you know it can't go wrong?  
Strong
