

Sweet Sixteen

Glen Campbell

When first I saw the love light in your eyes
I thought the world held not the joy for me
And even though we've drifted far apart
I never dreamed but what I dreamed of thee

I love you as I've never loved before
Since first I saw you on the village green
Come to me in my dreams of love adored
I love you as I loved you when you were sweet
When you were sweet sixteen

I love you as I've never loved before
Since first I saw you on the village green
Come to me in my dreams of love adored
I love you as I loved you when you were sweet
When you were sweet sixteen
