Sweet Sixteen

Glen Campbell

When first I saw the love light in your eyes I thought the world held not the joy for me And even though we've drifted far apart I never dreamed but what I dreamed of thee

I love you as I've never loved before Since first I saw you on the village green Come to me in my dreams of love adored I love you as I loved you when you were sweet When you were sweet sixteen

I love you as I've never loved before Since first I saw you on the village green Come to me in my dreams of love adored I love you as I loved you when you were sweet When you were sweet sixteen
