

# The Greatest Gift Of All

Glen Campbell

I can feel his love  
He has touched my heart  
And the spirit dove  
Came and will not part  
He beseeches me to listen  
As He reaches me with wisdom  
What He teaches me -

Is the greatest gift of all  
From heaven up above  
Is the love, that He gives, to all  
Doesn't matter where you've been  
He forgives the greatest sin  
With His love, that He gives, to all

If you make one wish  
Just before you sleep  
Pray that all your days  
Your soul, He keeps  
He beseeches you to listen  
As He fills your soul with wisdom  
What He teaches you -

Is the greatest gift of all  
From heaven up above  
Is the love, that He gives, to all  
Doesn't matter where you've been  
He forgives the greatest sin  
With the love, that He gives, to all

Peace will come your way  
If you only follow  
What He came to say  
Is of joy, not sorrow  
He beseeches you to listen  
As He fills your heart with wisdom  
What He teaches you -

(Oh-oh-oh-oh)  
Is that the greatest gift of all  
From the heavens up above  
Is the love (is the lo-ove)  
That He gives (that He gives) to all  
Doesn't matter where you've been  
He forgives the greatest sin  
With the love, that He gives, to all

Precious love, that He gives, to all
