

Too Late To Worry, Too Blue To Cry

Glen Campbell

I broke your heart dear I was untrue and now I've lost you what
can I do
I hope you're happy baby for I'll get by too late to worry too
blue to cry
Our love has ended you say we're through you found a new love t
hat's all good to you
I'll always love you as days go by
It's too late to worry worry worry I'm too late to cry oh yeah
