

Truck Driving Man

Glen Campbell

Well, I stopped at a roadhouse in Texas
Well, a little place called Hamburger Den
I heard that old jukebox start playin'
A tune called 'Truck Driving Man'

The waitress then brought me some coffee
I thanked her but called her again
I said that old song sure does hit me
'Cause I'm a truck driving man

Pour me another cup of coffee
For it is the best in the land
I put a nickel in the jukebox
And played the 'Truck Driving Man'

I climbed back aboard my old semi
And then like a flash I was gone
I got them old truck we used to roll in
Now I'm on my way to San Antone

When I get my call up to glory
They'll take me away from this land
I'll head this old truck up to Heaven
'Cause I'm a truck driving man

Well, pour me another cup of coffee
For it is the best in the land
I put a nickel in the jukebox
And play the Truck Driving Man
