

Walls

Glen Campbell

Some days are diamonds
Some days are rocks
Some doors are open
Some roads are blocked

Sundown's are golden
Then fade away
If I ever do nothing
I'll get you back some day

'Cause you got a heart so big
It could crush this town
And I can't hold on forever
Even walls fall down

All around your island
There's a barricade
It keeps out the danger
It holds in the pain

Sometimes you're happy
And sometimes you cry
Half of me is ocean
Half of me is sky

But you got a heart so big
It could crush this town
And I can't hold on forever
Even walls fall down

Some things are over
Some things go on
Part of me you carry
Part of me is gone

And you got a heart so big
It could crush this town
And I can't hold on forever
Even walls fall down

You got a heart so big
It could crush this town
And I can't hold on forever
Even walls fall down, they fall down
