

Wedding Bells

Glen Campbell

I have the invitation that you sent me
You wanted me to see you change your name
I couldn't stand to see you wed another
But dear I hope you're happy just the same

Wedding bells are ringing in the chapel
That should be ringing now for you and me
Down the aisle with someone else you're walking
Those wedding bells will never ring for me

Now I'd planned a little cottage in the valley
And I even bought a little band of gold
I thought someday I'd place it on your finger
But now my future looks so dark and cold

Wedding bells are ringing in the chapel
That should be ringing now for you and me
Down the aisle with someone else you're walking
Those wedding bells will never ring for me
