

When You Cry, You Cry Alone

Glen Campbell

(When you cry you cry alone.)
When you smile the whole world smiles with you
And your life is just a happy song
Love won't linger in a heart that's blue
When you cry you cry alone.
No, don't hang your head in misery
Although life and love have done you wrong
Oh, what fate has planned is sure to be
Yes, when you cry you cry alone.
But when you smile the whole world smiles with you
And old mem'ries don't linger very long, very long
Yes, the sorrow loves its solitude
When you cry you cry alone...
