

# You're My World

Glen Campbell

You're my world you're every breath I take  
You're my world you're every move I make  
Other eyes see star up in the skies  
But for me they shine within your eyes

As the trees reach for the sun above  
So my arms reach out to you for love  
With your hand resting in mine  
I feel a power so divine

You're my world you are my night and day  
You're my world you're every prayer I pray  
If our love ceases to be  
Then it's the end of my world for me

With your hand resting in mine  
I feel a power so divine

You're my world you are my night and day  
You're my world you're every prayer I pray  
If our love ceases to be  
Then it's the end of my world, end of my world, end of my world  
for me
