

# You've Still Got A Place In My Heart

Glen Campbell

If the one you'd think is true  
Ever turns his back on you  
Baby, you've still got a place in my heart

If the years should make you cry  
Darlin', give me one more try  
For you've still got a place in my heart

If I'm a fool to pray  
That you'll come back some day  
Then I'll know a million fools  
That love has made that way

So darling, don't forget  
I've been your fool since we first met  
And you've still got a place in my heart

So darling, don't forget  
I've been your fool since we first met  
Baby, you've still got a place in my heart  
Darlin', you've still got a place in my heart
