

## You Win Again

Glen Campbell

(What can I do you win again)  
The news is out all over town  
That you've been seen out runnin' round  
Now I know that I should leave  
But then I just can't go you win again

This heart of mine could never see  
What everybody knew but me  
Lord, just trusting you was my great sin  
What can I do you win again  
(What can I do you win again)

I'm so sorry for your victim now  
For soon his head like mine will bow  
Oh he'll give his heart but all in vain  
And someday say you win again

You have no heart, you have no shame  
You take true love and give the blame  
But I guess that I should not complain  
I love you still you won again
