

# And The Healing Has Begun

Glen Hansard & Markéta Irglová

And we'll walk down the avenue again  
And we'll walk down the avenue again  
When the healing has begun

And we'll walk down the avenue in style  
And we'll walk down the avenue and we will smile  
And we'll say baby ain't it all worthwhile  
When the healing has begun  
When the healing has begun

I want you to put on your pretty summer dress, yeah  
You can wear your Easter bonnet, Sunday clothes and all the rest  
And I wanna make love to you, yes yes, yes yes  
When the healing has begun

I want you to put on your pretty summer dress  
You can wear your Easter clothes, Sunday bonnet and all the rest  
And I wanna make love to you, yes yes, yes yes  
When the healing has begun  
When the healing has begun

We're gonna make sweet music underneath the stars  
We'll play to the violin and the two guitars  
And we'll sit down and play for hours and hours and hours and hours and hours  
When the healing has begun  
When the healing has begun

We're gonna stay out all night long  
And then we're gonna go out and roam across the field  
Baby you know how it feels  
When the healing has begun  
When the healing has begun

I want you to put on your pretty summer dress, yes  
You can wear your Easter clothes, Sunday bonnet and all the rest  
And I wanna make love to you, yes yes yes, yes, yes  
When the healing has begun

And we'll walk down the avenue again  
And we'll walk down the avenue again  
And the healing has begun
