

# Love Don't Leave Me Waiting

Glen Hansard

Love, you've been hesitating  
You've been hanging on for that sign too long  
And love, you've been leaving me waiting  
And I don't know why or what it is I've done  
And love, don't leave me guessing  
Oh, love, don't keep me

Show yourself to me.

And time, you've been erasing  
You've been running out on me  
And tongues, you've been a talking  
You've been saying what you really mean

And love, don't leave me waiting  
Oh, love, don't keep me  
And love, don't leave me guessing  
Oh, love, don't keep me  
Show yourself, show yourself

And love, don't leave me waiting  
Oh, love, don't keep me  
And love, don't leave me guessing  
Oh, love, don't keep me

Show yourself to me.
