

# Living in Darkness

Glenn Frey

I wonder why you want me back  
I wonder what it's all about  
Why the sudden heart attack  
Ever since the lights went out  
Now you're coming here with your master plan  
That look in your eyes, holding out your hand  
But I know you, I don't think you've changed  
Ev'rything about you still seems the same

You're living in darkness  
You're living in the past  
Living in darkness, your dreams fading fast. Hey!

You had a chance to make it right  
Long before the stormy night  
You didn't make the best of me  
You didn't really want to see  
Now you tell me the reason and the rhyme  
Can't we get together just one more time?  
You can say where, you can say when  
There's no fooling me, it's the same thing again

You're living in darkness  
You're living in the past  
Living in darkness, your dreams fading fast.

You didn't want this love of mine  
You didn't want the sun to shine  
There was a time when we stood side by side  
Now there's nowhere to run and there's nowhere to hide  
Nowhere to hide

You're living in darkness  
Living, living, oo, oo, oo, oo
