

## Lover's Moon

Glenn Frey

There's a lover's moon tonight  
As I look back over my shoulder  
All the stars are shining bright  
Just like the nights when I used to hold her

She's out there somewhere under the lover's moon  
Lover's moon, won't you shine on me?  
I'm dancing with a memory  
I wish I may, I wish I might

Have one last chance to hold her tight  
Waiting, I know she's waiting  
I know she waits for me under the lover's moon.  
There's a lover's moon tonight

Shining down on half of this world  
So many souls are in it's light  
But for me there is just one girl  
And she's waiting, I know she's waiting

I know she waits for me under the lover's moon  
Under the lover's moon.
