

The Allnighter

Glenn Frey

Lonely girl, rainy night
Lookin' for that number
She needs someone to treat her right
There's plenty of men she could call
But she wants him most of all
Oh God, I hope he's home tonight
She needs a love from a real exciter
She needs the allnighter,
The allnighter

He's the one, the one she calls
When she gets that feeling
Some nights she just can't stop herself
He's tough and tender, a soul bender
Ain't no service he can't render
He touches her like nobody else
He brings out the love, love, love deep inside her
He's the allnighter

Now when all the stimulation let's you down, down, down
And there ain't no medication layin' around, 'round, 'round
Ya feel your little heart begin to pound and pound
He's a satisfier of that one desire

Other guys come and go
They may try, but they don't know
Ev'ry girl needs special care
Oh, he's so bad, he's so good
He makes it feel just the way it should
Nobody else can take her there
He's the real thing, the pure delighter
He's the allnighter
The allnighter
