

# The Good Life

Glenn Frey

Oh, the good life  
Full of fun - seems to be the ideal  
Mmm, the good life  
Lets you hide all the sadness you feel

You won't really fall in love  
For you can't take the chance  
So please be honest with yourself  
Don't try to fake romance

It's the good life  
To be free to explore the unknown  
Like the heartaches  
When you learn you must face them alone

Please remember I still want you  
And in case you wonder why  
Well, just wake up  
Kiss the good life goodbye
