

The Shadow of Your Smile

Glenn Frey

One day we walked along the sand
One day in early spring
You held a piper in your hand
To mend its broken wing

Now I'll remember many a day
And many a lonely mile
The echo of a piper's song
The shadow of a smile

The shadow of your smile
When you are gone
Will color all my dreams
And light the dawn

Look into my eyes, my love, and see
All the lovely things you are to me

Our wistful little star
Was far too high
A teardrop kissed your lips
And so did I

Now when I remember spring
All the joy that love can bring
I will be remembering
The shadow of your smile

Now when I remember spring
All the joy that love can bring
I will be remembering
The shadow of your smile
