The Shadow of Your Smile

Glenn Frey

One day we walked along the sand One day in early spring You held a piper in your hand To mend its broken wing

Now I'll remember many a day And many a lonely mile The echo of a piper's song The shadow of a smile

The shadow of your smile When you are gone Will color all my dreams And light the dawn

Look into my eyes, my love, and see All the lovely things you are to me

Our wistful little star
Was far too high
A teardrop kissed your lips
And so did I

Now when I remember spring
All the joy that love can bring
I will be remembering
The shadow of your smile

Now when I remember spring
All the joy that love can bring
I will be remembering
The shadow of your smile
