You Belong To The City

Glenn Frey

The sun goes down
The night rolls in
You can feel it starting
All over again

The moon comes up
And the music calls
You're getting tired of
Staring at the same four walls

You're out of your room And down on the street Moving through the crowd In the midnight heat

The traffic roars
And the sirens scream
You look at the faces
It's just like a dream

Nobody knows where you're going Nobody cares where you've been

'Cause you belong to the city You belong to the night Living in a river of darkness Beneath the neon light

You were born in the city Concrete under your feet It's in your moves It's in your blood You're a man of the street

When you said goodbye You were on the run Trying to get away From the things you've done

Now you're back again And you're feeling strange So much has happened But nothing has changed

You still don't know where you're going You're still just a face in the crowd

You belong to the city You belong to the night Living in a river of darkness Beneath the neon light

You were born in the city Concrete under your feet It's in your blood It's in your moves You're a man of the street You can feel it You can taste it You can see it You can face it

You're getting near it hey
You wanna make it whoa
'Cause you can take it whoa

You belong to the city You belong to the night You belong to the city You belong to the night

You belong You belong Oh...
