Coast To Coast

Glenn Hughes

```
Goin' today, just passin'
The road I know so well
Seems the more I ride you
You give me more, you'll tell
And if I try, soon it will show
To keep me strong
And know that I've had times
So good from coast to coast
Leavin' my hard times behind, behind
And if I try soon it will show
To keep me strong
And know that I've had time
So good from coast to coast
Leavin' my hard times behind
Oh, I love the coast
I love the coast
Oh, yeah, oh yeah
I love the coast, oh yeah
```
