Don't Let Me Bleed

Glenn Hughes

I only wanted to be with you And I just want you to know That I can still hear your promises In the fire glow I need a shot of some Novocain You twist the knife in my back I feel the blood rushin' to my brain There's an overflow Don't let me bleed Don't let me bleed, no no no Don't let me bleed Now how could I be such a fool? You tell me, I've got no pity for you I heard a tale from a friend of mine As he was crossing my path He whispered words from the gallery It's still haunting me Too many seasons behind the door You are a curse, now it's holy war But there will be no resentment here This is meant to be Don't let me bleed No, don't let me bleed Don't let me bleed Now how could I be such a fool? You tell me, I've got no pity for you Don't let me bleed Do-do-don't let me bleed Don't let me bleed Now how could I be such a fool? Don't let me bleed Don't, don't let me bleed Don't let me bleed Now how could I be such a fool? You tell me, I've got no pity for you You tell me, I've got no pity for you I can still hear your promises Oh yeah I feel it, feel it, feel it, feel it Feel it, feel the blood rushin' to my brain And I hear, yeah yeah Oh, yes I did Tell me your seasons are coming, oh Tell me your seasons are coming, oh Why did you have to be so cruel? Oh yeah Hey, yeah yeah yeah yeah yeah How could I be such a fool? The sweetest love can sometimes go bad, oh yeah The sweetest love sometimes, [Incomprehensible] bad I said, "Oh yeah yeah" I said, "Oh yeah yeah" I said, "Ooh yeah yeah" Can you hear me, it starts to me as such And I don't know what I gonna do, yeah Walk on by, walk on Oh yeah, just walk on

Don't let me bleed Don't let me bleed This was your [Incomprehensible]
