You got my pride hangin' out of my bed You're messin' with my life so I brought my lead Even messin' with my children And you're screamin' at my life Get off my back, if you want to get out of here alive Freedom-that's what I want now Freedom-that what I need now Freedom-to live Freedom-so I can give You got my heart, split the last drink of water You got my soul, screamin' and hollerin' You know you hooked my girlfriend You know the drugstore man Well I don't need it now Just trying to slap it out of her hand Freedom-so I can live Freedom-so I can give Freedom-yeah yeah Freedom-that's what I need You don't have to say that you love me If you don't mean it, you better believe If you need me or you just wanna bleed me You better stick in you daggers someone else So I can leave-set me free Right on, straight ahead Straight up there, straight ahead Freedom-so I can live Freedom-so I can give... Keep on pushing, straight ahead Keep on pushing, straight ahead...
