

# Have You Read The Book?

Glenn Hughes

If you believe in me  
I will understand  
If you trust in me  
I will take you in  
If you said to me  
That you love me  
Give a seed you see  
Girl I have the key

You just have read the cover  
Have you read the book?  
Please believe in me

If you stay away  
I will be torn up  
If you leave today  
Oh, my heart will stop  
If you can't decide  
Girl I'll make the choice  
Hear me call your name  
Can you hear my voice?

You just have read the cover  
Have you read the book?  
Please believe in me

Don't you cry for me babe  
(Don't you realize)  
Gonna fight for it babe  
(I see the look in your eyes)  
No, you don't have to suffer  
(No, you don't have to bother)  
Have you read the book  
(Or have you read the cover?)

I will run to you  
If you want me to  
I will be around  
You'll be lost and found  
I believe in you  
I give my soul to you  
Baby that's no lie  
And there's no alibi

You just have read the cover  
Have you read the book?  
Please believe in me

Don't you cry for me babe  
(Don't you realize)  
Gonna fight for it babe  
(I see the look in your eyes)  
No, you don't have to suffer  
(No, you don't have to bother)  
Have you read the book  
(Or have you read the cover?)

Don't you cry for me babe  
(Don't you realize)  
Gonna fight for it babe  
(I see the look in your eyes)  
No, you don't have to suffer  
(No, you don't have to bother)  
Have you read the book  
(Or have you read the cover?)
