

# I Got Your Number

Glenn Hughes

How you've been?  
Alright?  
You got the power  
Turn on the light  
Don't run for cover  
No need to hide  
You should be here  
Right by my side  
'Cause you know I've got your number  
You know I've got your number  
I got yours, you got mine  
Want you to know that  
Your love came on time  
I got your message up on the wall  
You break my back  
You make me wanna crawl  
To get your number  
You know I've got your number  
It's alright  
It's alright  
Number  
Number  
It's alright  
How you've been?  
Alright?  
You got the power  
Turn on the light  
Don't run for cover  
No need to hide  
You should be here  
Right by my side  
'Cause you know I've got your number  
You know I've got your number  
It's alright  
It's alright  
It's alright  
Number  
Number  
Number  
Number
