

I'm The Man

Glenn Hughes

You got the right information Let me take you by the hand Let the Sunday win the light I hope you understand My salvation I do the best I can

[Chorus:] I'm the keeper of a dream I'm the one you will be seeing I'm the man

You got to be at the station If you want to be with me You know that I love you You are my destiny Invitation So wont you take my hand

[Chorus:]

Let me make it clear Your fear will disappear Tell me you believe And wipe away my tears My salvation I do the best I can

[Chorus:]

You know I will be waiting So be there if you can One way or another You got to understand My salvation I do the best I can

[Chorus: Repeat 5X]

I'm the keeper I'm the keeper I'm the man

You know that I am I'm a man
