

Neverafter

Glenn Hughes

I've been walkin' in these shoes
Now I just want to bring you the news
I feel the karma comin' on
And I don't want to be here alone
I am from another world
Connected to the wire
Communication, I spill the wheel
But you just want to know if I'm real!
I feel the goodness, cut like a knife
That's how I'm gonna live my life
And I don't know I might have been
A victim of denial
Do you receive the stone
From your master?
Do you believe, in life neverafter?
I'm not the same boy I used to be
Now there lives a man inside of me
Great expectations burn deep within
And I just want to see you again
And I cry to be strong
I can tell something's wrong
I've been here all along
