

What Can I Do For Ya?

Glenn Hughes

You want lots of money
A fortune in gold
You want everything
Girl you're so cold
You want a big house
And a high neighborhood

What can I do for ya?
I'll sing the blues for ya
So you'll better listen
To what life is all about
What can I do for ya?
I'll sing the blues for ya

Some play the game
Some always lose
But I'll play to win
Baby I got the news (you know I'm talking about)
And I want to know
What the fuss is all about

What can I do for ya?
I'll sing the blues for ya
So you'll better listen
To what life is all about
What can I do for ya?
I'll sing the blues for ya

I want you to know
That it's understood
If you want to be with me
Babe you'd better be good
So girl if you want me
You know where I will be
I'll be right here
So open your eyes and see
And what do you need,
What do you want from me?

What can I do for ya?
I'll sing the blues for ya
Now what you need?
Tell me what you want from me
What can I do for ya?
