

Don't Worry

Glenn Lewis

Don't I love you, don't I love you
Don't I love you, don't I love you
Don't I love you, don't I love you
Don't I love you oh yeah

Just once, I wanted to introduce to you a different side
And just once, I wanted to express myself without making you cry
And just once, I wanted you to see just what you bring into my life
I know I don't say it most times
But I wrote a song to tell you it's alright

So don't you ever worry
If I'm still your man
Don't you ever worry
Cause I got your back
Baby don't you worry
If I'm coming home
Oh don't you ever worry
Cause I'm coming home

I'll give you my heart, my soul, my body,
My love, my money, my time, my all
I'll tell you the truth
No lies, just you and I
You don't have to worry not at all

Just once, I wanted to turn you on more than just the sex
And just once, I wanted to say that when I walked out, I regretted it
And when I cursed, I regretted it
Please don't think of me as one that makes you cry
Please don't think of me as one that tells you lies
Oh girl think of me as one that loves you so
And think of me when you need someone to hold

Don't you ever worry
If I'm still your man
Don't you ever worry
Cause I got your back
Baby don't you worry
If I'm coming home
Oh don't you ever worry
Cause I'm coming home

I'll give you my heart, my soul, my body,
My love, my money, my time, my all
I'll tell you the truth
No lies, just you and I
You don't have to worry not at all

Baby I just wanna prove that I love ya,
Wanna kiss, wanna touch, wanna squeeze and hug ya
Wanna treat you like the best thing that you are,
Like the treasure you are, like the queen that you are,
Like the women you are, like the love that you are
Some harmony...
Baby I just wanna prove that I love ya,
Wanna kiss, wanna touch, wanna squeeze and hug ya

Wanna treat you like the best thing that you are,
Like the treasure you are, like the queen that you are,
Like the women you are, like the love that you are
You are, you are

Don't you ever worry no
If I'm still your man
Don't you ever worry
Cause I got your back
Hey don't you ever worry no
If I'm coming home
Don't you ever worry
Cause I'm coming home

I'll give you my heart, my soul, my body,
My love, my money, my time, my all
I'll tell you the truth
No lies, just you and I
You don't have to worry not at all

Don't you worry
If I'm still your man
Baby don't you worry
Cause I got your back
Don't you ever worry no
If I'm coming home
You don't ever have to worry
Cause I'm coming home

I'll give you my heart, my soul, my body,
My love, my money, my time, my all
I'll tell you the truth
No lies, just you and I
You don't have to worry not at all
