

I Don't Want To Lose Your Love

Glenn Medeiros

When we started out, there were so many plans.
We held each other in the palm of our hands.
I tried everything just to turn all my dreams around for you.
First time you told me your heart was drifting,
I couldn't quite comprehend.
You told me that you needed some time alone,
That you were almost at the end.

But I don't want to lose your love.
Now that I found you,
I built my world around you.
I can't understand it,
I tried to give you every part of me.
I don't want to lose your love.
It's all that I believe in.
I would give anything,
if you would give me just a little
Give me just a little more time. (Give me just a little more time)

Distraction carried you away.
I never thought I'd see the day, when I would just stand
and watch you take a piece of my life away.
Didn't I deserve some forewarning?
After all that we've been through.
You told me that you've got your mind made up,
and there is nothing I can do.

But I don't want to lose your love.
Now that I found you,
I built my world around you.
I can't understand it,
I tried to give you every part of me.
I don't want to lose your love.
It's all that I believe in.
I would give anything, if you would give me just a little
Give me just a little more time.

I don't want (I don't wantta lose your love) to lose your love.
I don't want (lose your love) to lose your love.

I don't want to lose your love.
Now that I found you,
I built my world around you.
I can't understand it,
I tried to give you every part of me.

I don't want to lose your love.
It's all that I believe in.
I would give anything, if you would give me just a little
Give me just a little more time.....

I don't want to lose your love.
Now that I found you,
I built my world around you.
I can't understand it,
I tried to give you every part of me.

I don't want to lose your love.
It's all that I believe in.
I would give anything, if you would give me just a little
Give me just a little more time.
