

The Best Man

Glenn Medeiros

Are ya lonely standing in the crowd
Wishing only to know what love is all about
Well, here I am girl, ready to go by it
The kind of a lover you've been hoping to find

(No other lover could love you better)
Just put your faith in me
(I'll turn my heart to bring you pleasure)
I could do it baby!

If you want somebody to love
Then, baby, I'm the best man for the job
And if you need someone to depend upon
Try to understand, baby I'm the best man!

Huh?and you know it

If you'd ask me, there's nothing I wouldn't do
Just to please you, baby I wouldn't bring you down
Strictly buttoned then put your heart at ease
You can't hold back when the love is real

(You've been hiding your heart, that very treasure)
Oooh, now give it all to me
(I'll turn my heart, to bring you pleasure)
Oh baby, you can leave it all for me!

If you want somebody to love
Then, baby, I'm the best man for the job
And if you need someone to depend upon
Try to understand, baby I'm the best man!

I'm not saying I'm the best in the world
I'm just saying I'm the best for you girl!

Aah, just put your faith in me
You know I can do it baby!

If you want somebody to love
Then, baby, I'm the best man for the job
And if you need someone to depend upon
Try to understand, baby I'm the best man!
