

## Our Love Affair

Glenn Miller

Our love affair was meant to be  
It's me for you dear, and you for me  
We'll fuss, we'll quarrel and tears start to brew  
But after the tears our love will smile through  
I'm sure that I could never hide  
The thrill I get when you're by my side  
And when we're older we'll proudly declare  
Wasn't ours a lovely love affair

Our love affair was meant to be

We'll fuss, we'll quarrel and tears start to brew  
But after the tears our love will smile through  
I'm sure that I could never hide  
The thrill I get when you're by my side  
And when we're older we'll proudly declare  
Wasn't ours a lovely love affair
