

A Thousand Deaths

Globus

In excelsius benedictus Blessed angels hear our prayer Immortal
es resurrectus Let thy whisper dry our tears In excelsius bened
ictus Blessed angels hear our prayer Immortales resurrectus Let
thy promise calm our fears Hosanna, hosanna, aeterna Holy we'll
arrive for evermore

Two lovers, two forces of love and hate I pull you, you pull me
, we complicate Unlikely defendants in a lovers' trial And faci
ng a world in complete denial From London to Aden, the stage is
set Two cultures in conflict, love under threat

And I breathe in fire and ash All for the sake of love And I di
e A Thousand Deaths All for the sake of love And I breathe in f
ire and ash All for the sake of love And I die A Thousand Death
s All for the sake of love

The fires of the righteous will always burn And turn us on each
other until we learn To harness the power of our distinction A
nd throw off these shackles of bad religion One thousand and on
e nights can change everything You are my scheherazade, I am yo
ur king

In excelsius benedictus Immortalis lacunam In extremis abyss do
mus Introitus gloriam

And I breathe in fire and ash All for the sake of love And I di
e A Thousand Deaths All for the sake of love And I breathe in f
ire and ash All for the sake of love And I die A Thousand Death
s All for the sake of love

In excelsius benedictus Immortalis lacunam In extremis abyss do
mus Introitus gloriam

The last hope for comfort* is fleeting fast (*"justice" is sung
, but the official lyrics say comfort) Salvation, extinction, w
e're free at last

In excelsis Immortalis In extremis

And I die A Thousand Deaths All for the sake of love All for th
e sake of love

In excelsius benedictus Blessed angels hear our prayer
